

TIMY-Soft compatibility with Microsoft® Excel products

Windows 98

TIMY-Soft requires **Excel 97**

Due to "Year-2000" issues related to 'date' functions within Excel 97.

Windows 2000

TIMY-Soft runs with **Excel 2000, 2002, 2003**

TIMY-Soft 'macro' functions run incorrectly if other Excel versions are installed on Win 2000 Systems.

Windows XP

TIMY-Soft runs with **Excel 2000, 2002, 2003, 2007 & 2010**

TIMY-Soft 'macro' functions run incorrectly if earlier Excel versions are installed on Win XP Systems.

Windows Vista & Windows 7

TIMY-Soft requires **Excel 2007 or Excel 2010**

'Macro' functions used in earlier Excel versions are not supported by Win Vista & Win 7.
